Dear Mr. and Mrs. Crawford:

Just a hasty line to let you know that we're doing everything possible to go through with the schedule of the four or five games with clubs of the two colored Major Leagues, although the authorities of Briggs Stadium have their fingers crossed insofar as the Government is concerned. They seem to be afraid that the Government isn't going to permit travel as of yore. What do you think about it? Do you think you will be able to make the pilgrimage and keep the booking?

Yours in haste,
